Residential/Temporary Address: Parishkaar 1, khokhara circle , maninagar, Ahmedabad,380008

Objective

A proactive and detail-oriented pursuing BTech Electrical Engineering with a strong academic foundation in electrical circuits/machines, electronics and power systems . Seeking an summer internship for 2026 or project-based opportunity to enhance practical skills in electrical/electronics engineering and contribute to innovative engineering solutions.

Education

| Degree | University/Institute | SGPA (out of 10) | CGPA (out of 10) | Completion Year |
|---------------------|----------------------|------------------|------------------|-----------------|
| Btech in Electrical | IITRAM(Ahmedabad) | 10 | 8.05 | 2027 |

Relevant Coursework (including Practicals):

- Network Theory, Electronic Devices and Circuit, Signals and Systems, Instrumentation and Measurements
- Power systems, Electrical machines, Digital systems, linear integrated circuits.

Technical Skills

- **Programming Languages:** Python(basics), Matlab
- **Software:** Simulink by Matlab, Tinkercad
- **Tools s Equipment:** Oscilloscope, sensors , Transducers, metres, all hands on tools and electrical instruments, etc..

Hobbies and Interests

- Exploring Machines
- Circuit Simulation and Design
- Interested in Power Generation, Transmission and Distribution.

Achievements :

- Project on Op amp Integration (Automatic Plant Watering System).
- Deans Certificate on Academic Excellence
- Certification(participation) on “Machine Learning with Python, A Hands-on Approach” by COE- AIML IITRAM

Declaration

I hereby declare that the information provided is true to the best of my knowledge.
